The **Fine Peace Café** has been established as part of the vision of Sheddocksley Baptist Church to create a gathering place for people in the local community.

The aim of the café is to provide a welcoming place for people to gather and also to provide a hub for people to connect to additional services of support provided by the church, and other community groups.

The café is non profit making, is staffed by a dedicated team of volunteers, and any monies made will be ploughed back into supporting other community work.

One of the initiatives of the **Fine Peace Café** is to support young people with additional support needs. Please feel free to encourage the young person serving you.

We thank you for your support of the work of the café and look forward to welcoming you back in the near future. We would value your prayers for those involved in the running of this project. We hope that above all you would find the peace of Jesus in your life.

Jesus said "Peace I leave with you; my peace I give to you. I do not give to you as the world gives. Do not let your hearts be troubled and do not be afraid"
